Thanks to Grant County and Adjourn		4:30

**Directions to the Grant County Public Works facility in Ephrata:**

Going NB on SR28, look for Division Street and take a right off of SR28 onto Division. Drive Division over the RR tracks and up the hill. Division will turn into a four-lane road. Begin looking for Enterprise Street. The Public Works Building is the first building on the left after turning right onto Enterprise off of Division. A good phone number to call if one gets lost is 509-754-6082.
